June 18, 2014

Greetings Desert Peaks Golf Club members,

Just wanted to update you on what's happening at the course:

You may have noticed temporary tees on Number 6 this week. Starting this week a landscape contractor will begin remodeling three tees on the course. Number 6, 7 and 9 tees will be renovated over the next couple of weeks. We will work on one tee at a time to minimize disruption on the course. Please keep clear of the construction and pardon the noise while we get the new tees ready for play. In 4-6 weeks they should be ready for play.

Also starting this summer (July, August) we should be preparing and paving the new cart path. The plan is to pave approximately 1000 feet of path from # 5 green to the clubhouse and from the parking lot to number six tees. I've attached a map showing the portions we hope to pave.

Thanks for your patience and please feel free to contact me at 541-410-7125 if you have any questions.

Jonathan Burchell

Parks and Open Space Supervisor
