AGREEMENT:

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties hereto hereby agree as follows:

1. Program Participation. Subject to the terms and conditions contained in this Agreement, Volunteer will be permitted to participate in the Program. Volunteer adopts that trail section identified in the attached Exhibit A (the "Trail Section"). During the term of this Agreement, City will purchase, place, and maintain a certain Trail Section adoption sign which recognizes Volunteer's adoption of the Trail Section. During the term of this Agreement, Volunteer agrees to pick up trash on the Trail Section at least once each month during the months of April through September and at least once every two months during the months of October through March.

2. Program Rules and Regulations. In connection with Volunteer's participation in the Program, Volunteer will perform and comply with the Program Description, Rules, and Safety Requirements described in the attached Exhibit B (the "Rules and Regulations"), as amended, modified, enacted, and/or supplemented by City from time to time. Volunteer will require and ensure that each person participating in the Program with or under Volunteer (individually and collectively, "Member(s)") receives a copy of the Rules and Regulations and reads the Rules and Regulations prior to any Member's participation in the Program and/or performance of any volunteer work on the Trail Section. Volunteer will complete and deliver to City the Volunteer Roster attached as Exhibit C prior to Volunteer's (and/or any Member's) participation in the Program and/or performance of any volunteer work on the Trail Section.

4. Waiver and Release Agreement. Volunteer will require and ensure that each Member (including, without limitation, Representative) signs an Adult Waiver and Release Agreement or Minor Waiver and Release Agreement, as appropriate, in the form attached hereto as Exhibit D. Any Member under the age of eighteen (18) must have his or her custodial parent or legal guardian sign the Minor Waiver and Release Agreement for and on behalf of the minor Member. Each Member must sign, and Representative will deliver to City, the appropriate signed waiver and

release agreement prior to any Member’s participation in the Program and/or performance of any volunteer work on the Trail Section. City will maintain the signed waiver and release agreements.

5. Release and Indemnification. To the fullest extent permitted by applicable law, Volunteer releases, forever discharges, and agrees to hold harmless and indemnify City and all Program sponsors, participants, and volunteers, and all present and future officers, shareholders, members, managers, board members, employees, agents, assignees, partners, contractors, and representatives of each of the foregoing persons and/or entities (individually and collectively the “Released Party”), for, from, and against any and all liabilities, damages, claims, demands, proceedings, actions, and expenses of every kind, including, without limitation, attorney fees (collectively, “Damages”), whether at law or in equity, which may arise directly or indirectly in connection with Volunteer’s participation in the Program, volunteer work on the Trail Section, and/or the negligence of any Released Party, including, without limitation, (a) any and all Damages for which Volunteer may be liable to others, and/or (b) any and all Damages against any Released Party for any injury, illness, or death to Volunteer and/or damages to Volunteer’s property.

6. Term. Volunteer adopts the Trail Section for a period of one year, commencing from the date of this Agreement. The one-year period may be extended by Volunteer and City’s mutual written agreement. Notwithstanding anything contained in this Agreement to the contrary, City may terminate this Agreement, and Volunteer’s participation in the Program (and those of all Members), at any time, for any reason or no reason, upon written notice to Volunteer at the address provided below.

The City's Public Works Director (or his or her designee) will work with the volunteers to establish trails within the City which will be "adopted" by the volunteers.
