

City of Madras Trail Focus:

- Currently, there is more than 5 miles of connected, paved trail. Once fully connected, Madras' loop will have nearly seven miles of paved trail.
- The Willow Creek Trail System provides a non-motorized form of transportation linking residents to downtown commerce, area schools, churches, and other recreation.
- The City continues to leverage resources through grants, agency collaboration and private partnerships to implement the City's Bicycle and Pedestrian system goals.
- Collaborative efforts to-date are moving the Madras community closer to its goal of being one of the most livable communities in Oregon.
- The City is working on finishing the last section of trail which will complete the loop trail loop.
