

City of Madras Recommended Street Tree List

Below is a list of tree species, grouped by size and class. Refer to pages 36 - 38 for further explanation of form and spread. Please keep in mind the particular limitations of your planting site when selecting a tree for planting. The provided list is not all inclusive; it is provided as a beginning guide for homeowners. Should you wish to plant a species not on the list, **every effort will be made to accommodate your selection provided the species is viable in this zone and appropriate for the location.**
